

Dear Parents and/or Guardians:

I want to welcome you to Liberty Hill Junior High School! We are looking forward to a productive school year. We recognize that in order to be successful, our students need support from both home and school. We know it will take a strong partnership with all of us sharing the responsibility for your child's success. We ask that you guide and support your child's learning by ensuring that they attend school every day and that they arrive on time ready for their school day. We ask that you help monitor the completion of all homework assignments or projects and that they study and prepare for tests and exams. We want them to read each day so they improve their literacy skills. Please ask about their school day and don't accept "it was okay" as an answer, keep asking questions. Let them know that you are there if they need support in any area - personal or academic. And finally, make sure they know you love them and have high expectations for their future.

As students enter secondary school, we begin to let our children show us that they are ready for the added responsibilities of adolescence. Please be cautious that some are more ready than others for this freedom. Stay involved in their education - we want and need your help! Links to our Student Code of Conduct and Dress Code can be found at this URL address:

<http://lhjllibertyhill.sharpschool.com/>

If you have any questions, please feel free to contact me. It is very important that you and your child are fully informed about our expectations so we can have a safe and productive school year.

The LHISD Parent Handbook can also be found on our district website.

My wonderful staff and I feel privileged to be a part of the Liberty Hill Junior High School family. We thank you for your support and look forward to meeting you.

Sincerely,

A handwritten signature in black ink that reads "Annette Coe". The signature is written in a cursive style with a large, prominent "A" and "C".

Annette Coe

Principal
